June 2020

Dear HOS Members,

I hope that all of you continue to be well and healthy, as we continue to navigate the uncertainty of the COVID-19 pandemic,

We are pleased to announce the launching of the newly redesign [House of Spain in San Diego](http://www.houseofspainsd.org) web site! www.houseofspainsd.org

The new site features a streamlined, modern design, improved functionality, and it is responsive across all devices. It also provides easy and secure access to membership joining and renewals and informs the community about the role and main goals of HOS in San Diego.

The new website has updated the domain name and address from houseofspainsd.com to the houseofspainsd.org to emphasize the HOS in San Diego non-profit organization status.

With the newly created three tier [Sponsorship Opportunities](#) section, we encourage, local, regional, national and international business to engage with the House of Spain in San Diego to mutually benefit with great opportunities the House of Spain in San Diego has to offer.

The new web site will be updated on a regular basis with, news, cultural, educational, social and charitable events. Members and visitors are encouraged to explore the website and sign up for our monthly Newsletter.

The HOS cottage (casita) continues being closed to the public. In our last House of Pacific Relations (HPR) delegates meeting it was decided that cottages will continue to be closed at least until June 15. Lawn programs until July 5.

None the less, HOS Board of Directors (BOD) continue working to maintain our organization active, by continuing doing the work that it requires. Also, the BOD continues having our monthly meeting through video conferences via ZOOM.

I will keep you posted regarding the re-opening of House of Spain.

I encourage you to contact us if you'd like to volunteer to help others during this difficult time.

Please feel free to reach out to us at contact@houseofspainsd.org anytime.

I sincerely thank you for your support and membership,

Stay healthy, Salud!
